

Vertical Blue 2008 - Pick the records competition!!

A week out from the kick-off of Vertical Blue 2008 and it's time for a challenge for the spectators at home. Which records will be broken, by whom, and by how much?

1. men's CNF - current record: 83m (Herbert Nitsch)
2. men's FIM - current record: 106m (Martin Stepanek)
3. men's CWT - current record: 112m (Herbert Nitsch)
4. women's CNF - current record: 56m (Sara Campbell)
5. women's FIM - current record: 81m (Sara Campbell)
6. women's CWT - current record: 90m (Sara Campbell)

You can win a stylish **Vertical Blue team long-sleeve shirt** by picking the right results. Just add a comment to this post with your predictions for each record.

Each prediction should be in 3 parts, e.g:

1. broken, David Blaine, 84m
2. stands
3. broken, George Bush, 113m
4. broken, Queen Elizabeth, 57m
5. stands
6. broken, Cleopatra, 92m

Points will be given as follows

- correct answer (broken/stands) = 1 point
- freediver with record at end of comp (if broken) = 1 point
- depth of record at the end of comp (if broken) = 1 point

Entry must be made by the end of April 31st, and it's open only to those not present at Vertical Blue 2008.

I'll put a vote in for team kiwi ;)rn1. broken, Will Trubridge, 86mrn2. standsrn3. broken, Dave Mullins, 115mrn4. broken, Kathryn McPhee, 57mrn5. standsrn6. stands

Stefano, Martin Stepanek is not competing in Vertical Blue 2008, the record for CWT (number 3) is 112m. Do you want to alter your prediction?
