

# VB Athlete profiles 2009

This year we will be doing athlete profiles in groups by Country

There are 11 countries represented at Vertical Blue 2009: Australia, Austria, Canada, Colombia, Denmark, France, Italy, Japan, New Zealand, UK, USA. In each edition we will present the profiles of the athletes of each country.

This is also YOUR CHANCE to get to know more about the competitors (see the lists of men and women below). If you post your questions in the comments beneath this post we will do our best to get replies from each athlete. Ask away!
