

Top times for DAY TWO

Herbert will have another crack at the CWT world record, and Sara will attempt her first world record since 2007, trying to best her rival Natalia Molchanova by a meter to take the constant weight record to 96...

Davide, Ryuzo, Walter and William will all try for national records, incidentally all of them are trying to beat their own records.

TOP TIME SCHEDULE

Date 2/4/2009
