Well Sara, you've surprised me big time!  
Do I see it right you actually swim until 60 m?  
Also congratulations to all others including William Winram, I'm happy your equalisation works out ok!  
Why did William T and Herbert not dive?  
Better luck to you Kathryn and Georgina.  
I'm looking forward to see Sara's dive and surfacing video, she must be VERY happy!

Congratulations to Sara! I must say, I was a little worried after reading the blog but now things seem to work and obviously you've found what you were looking for. Very well done!!!
