12:12	Dave Mullins	CWT	118	3:40	N
12:24	Herbert Nitsch	CWT	124	4:10	W

Wow what an announcements again, very impressive, wow! - just a question, How can Dave start his dive when William Truebridge will still be on the line swimming to the surface? see top the close times both have. - BTW great amount of updates, nice reports and good photo's. I hope the video will start to get through later on, as it will add even more atmosphere. - Love, Courage and Water, Kars
